

## Renne is a Licensed Real Estate Salesperson with Silverson's Realty in Scarsdale, New York.

"Real Estate is one of the greatest parts of my life, besides my family. I was raised in Mamaroneck and graduated from Mamaroneck High School and Iona College, so lower and mid Westchester are my specialty. Although I have had other career paths in life, Property & Beach Club Management and Interior Design Assistant to my brother, Joseph Stabile of JR Cattington Interiors, my career in Real Estate is the one I find most rewarding. A consistent recipient of the Westchester Board of Realtors Silver Award and a top producer in the field for over ten years, I keep a life long connection to the clients I have worked with and take great pride in locating the perfect home for each of them. I truly believe that in this position, as in life, honesty and loyalty are the key factors to success ... for both me and my clients. Remember, don't make a move without me!!"
